

Believers Are God's Temple

Believers' Bodies Belong to God

(1 Corinthians 6:19-20)

What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought (buy) with a price [the Blood of Jesus]: therefore glorify [praise and honor; NOT shame] God in your body, and in your spirit, which are God's.
